

REMARKS

Claims 1 to 33 are pending in this application. Claims 1, 14, 18, 19 and 33 are rejected. Claims 2-13, 15-17 and 20-32 are withdrawn from consideration. The remarks in the Reply to Non-Final Office Action dated October 16, 2006 are incorporated herein.

This Corrected Amendment is filed in response to the Office Action of December 22, 2006 which requires a corrected listing of claims. In particular, the claim identifiers for claims 14 and 18 were not correct in the aforementioned Reply to Non-Final Office Action. It is respectfully requested that the present listing of claims be substituted for the previously filed listing.

In particular, claim 14 is modified so as to be identified as "Previously presented" and the dependency is now correctly set forth as claim 1. Claim 14 had been previously amended in a Reply to Restriction Requirement dated June 29, 2006 to change dependency from claim 10 to claim 1, and the listing herein is intended to correctly reflect the present status of claim 14.

In the same paper, claim 18 had also been amended to change dependency from claim 10 to claim 14, and the listing herein is intended to correctly reflect the present status of claim 18.

The Examiner is invited to contact the undersigned if there are any questions regarding the listing of claims.

Favorable consideration on the merits is respectfully requested.

Respectfully submitted
